NOTE TO: All NIOs and PP

SUBJECT: Human Sources Committee (HSC) Project FOCUS

Attached for your information are the HSC's "Plan of Action," Dr. Jenne's outline for his talk at the NIO meeting and the proposed FOCUS schedule for A and B projects. This package along with the HSC "Perspectives" (distributed to all NIOs earlier) describes what the HSC hopes to accomplish and what it envisages as the role of the NIO in this enterprise. As evidenced during and after the NIO meeting, Dr. Jenne is most interested in receiving any advice or suggestions from the NIOs at an early stage in the project, as well as ensuring that its implementation is as painless for the NIOs as possible. STAT [redacted] will be contacting selected NIOs or Assistants in the next couple of weeks to work out the modalities of individual NIO participation.
